Friday, May 31st	Program ends/Departure day All students must vacate program housing by this date

*Orientation activities and classes represent a full time schedule. They are mandatory, conducted in French, and, therefore, not appropriate for friends and family. In addition, students should not make travel plans during the orientation period, as several cultural outings and the regional seminar will take place during that time.

University holidays and breaks are dependent on individual academic calendars of the host institutions (Lettres Sorbonne and Université Paris 8).
